RE: Letter of Recommendation Bank United Boca Raton, Florida

To Whom It May Concern:

I would like to personally commend Di Pompeo Construction Corp. on a job well done on our interior build out of our Boca Raton branch. We were often updated on progress, keeping us in the loop, and the Di Pompeo team was promptly responsive to our necessities and requirements.

We appreciated DiPompeo's leadership and cooperation in working with different entities such as the City of Boca Raton, our outside vendors and our permitting consultant to ensure that the project ran smoothly and ultimately resulted in a project completed on time with a high quality result. We look forward to working with the Di Pompeo Construction Corp. team in the future.

Yours truly,  
Roy Hennessy
